AUDIO VISUAL

Since we have been using the sound system and tv screens for Sunday worship, we know many of you appreciate the pictures that are displayed in between the hymns etc.

Each week we try to have a theme, whether it be spring flowers, coastal landscapes, baby animals etc.

We have been using our own pictures and stock photos from the internet but we thought it might be nice to use some of your favourite pictures.

Not to distract from the service, pictures of your favourite places or events etc are welcome.

If you would like to send us some pictures to be included in the slides, please email them to us at: barrowmeths@gmail.com

Obviously to comply with safeguarding etc, by submitting the photos you agree to them being used for the slides only.

Thank you - Natalie and Janet

PRAYER OF THE DAY

God, who leads us on in the journey of faith, we pray for our schools: for those for whom they are places of learning and growth; for those for whom they are places of vocation and service. May we have the faithfulness to pray for them, the wisdom to know how to serve them, and the humility to contribute to their common life with grace. May we all know the blessing of growth, and the fulfilment of a life of curiosity, wonder and joy. Amen.

LEAD CHAPLAIN - LOUGHBOROUGH UNIVERSITY

An opportunity has arisen within the University Chaplaincy for a Lead Chaplain. Loughborough University Chaplaincy is a multi-faith chaplaincy covering both the East Midlands and London campuses where all faiths are supported and encouraged.

This is a full-time role and you will be at the heart of shaping the future role and function of the Chaplaincy. The University Chaplaincy is the spiritual heart of the University. It is a place of energy and enthusiasm whilst at the same time providing space for peace and tranquillity and for refuge and support.

The Chaplaincy is unique in that it not only helps the University to be mindful of the needs of faith groups, the Chaplaincy helps to position faith as a characteristic which is considered when important decisions are made.

The Chaplaincy supports and helps staff and students who are in need, but it does much more than that. It is a vibrant centre that allows people to explore their spirituality; it supports and nurtures student faith groups (of which there are 18); it helps people to deal with the burdens of the modern world through the provision of positive thinking and mindfulness sessions and it advises the University on all matters of faith.

As well as being a leader you will have excellent communication and pastoral skills.
